FILES...FONTS...FORMATS...HUH?

Let our professional design staff help you translate your company's existing computer files into effective signs.

Discuss your signage needs with our trained specialists, who will design and manufacture your signs using state-of-the-art equipment and techniques.

IN A HURRY? NO PROBLEM.

HIGHTECH SIGNS is your state-of-the-art, full service, on-time sign shop. Our modern techniques include faster, superior, more dependable alternatives to traditional methods of sign production - usually at a much lower cost. With our computer-based design system, the possibilities are limited only by your imagination.

HIGHTECH SIGNS is a locally owned and operated company.

We know Austin business because we are an Austin business!

Established in 1990, Hightech Signs has committed itself to serving customers in the Austin community and providing them with the very best service and products available.

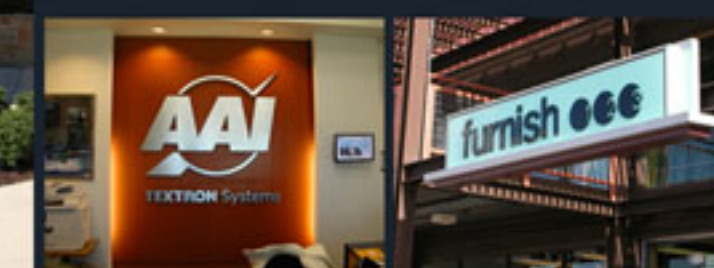

VEHICLE and FLEET GRAPHICS are an essential part of any business, and vehicle graphics are a specialty of HIGHTECH SIGNS. We can make your fleet work harder with durable, eye-catching advertising.

YOUR BUSINESS IDENTITY IS IMPORTANT

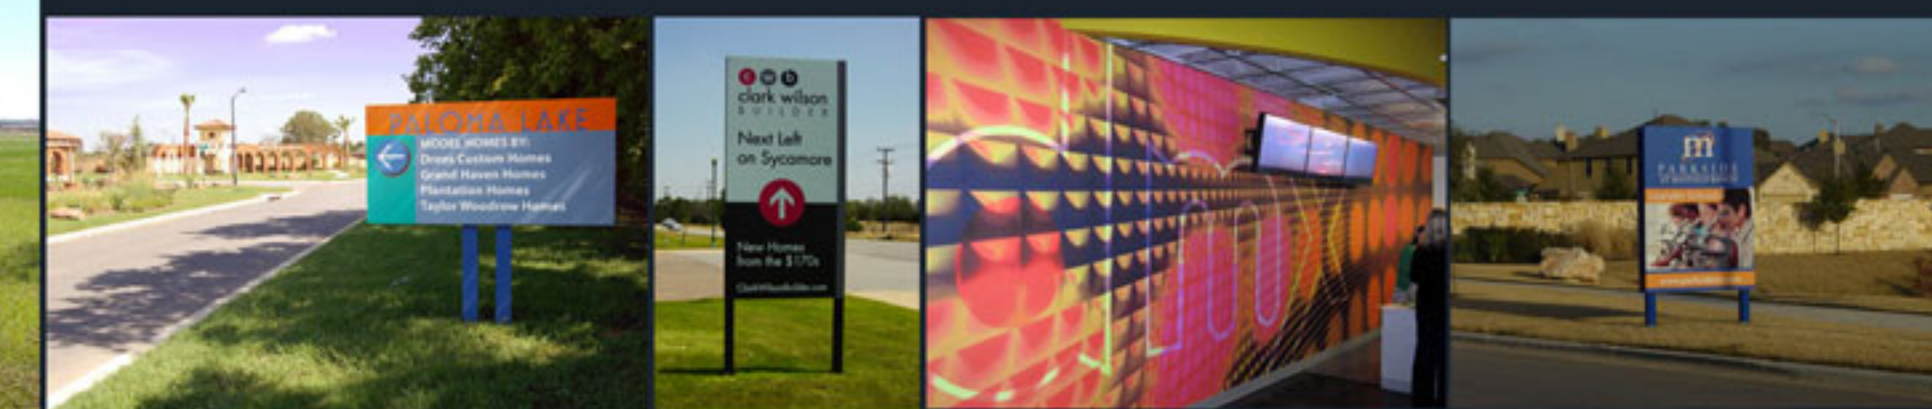

From lighted channel letters to freestanding monuments, HIGHTECH SIGNS can help your business get the visibility you need to stand out.

PROFESSIONAL INSTALLATION and TIMELY DELIVERY of your signs is as important to us as it is to you. Posts, anchors, skids, foundations - our experts save you time and money by doing it right.

DIGITAL GRAPHICS - COMPUTER AIDED DESIGN - FULL COLOR OUTPUT  
Architectural renderings, large scale color photographs, faithful reproduction of computer-generated artwork, Hightech Signs knows how to help you get the most from your computer files and original art.

Fast and reliable production of SIGN PANELS and BANNERS is our business. Metal, wood or plastic - permanent or temporary - at HIGHTECH SIGNS we approach every job, large or small, like your business depends on it.

ARCHITECTURAL GRAPHICS  
Whether you require cast metal or laser-cut letters and logos, HIGHTECH SIGNS has the knowledge and experience to help you get the job done right.

Signs that Mean Business!
